

KEY FEATURES

Sturdy Design

Built to be tough and practical, yet effortless to use

LED Lights

Enhanced visibility and presentation

High-Efficiency Compressor

Precision cooling with optimal energy performance

Frost Free

Optimized fan cooling

Controlled Moisture Environment

65-75% humidity range

Practical Storage

Big capacity sliding cedar shelves included

Controlled Access

Door with built-in lock for added safety

This collection of cigar humidors combines refined craftsmanship with advanced preservation technology, featuring precise humidity control, UV-protected glass doors, and shelving that keep each cigar in optimal condition.

Digital Controller

R600a

Refrigerant

+38°C

Ambient Temperature

C₅H₁₀

Insulation
