Details? Make the difference

In compliance with the philosophy of coherence and design which distinguishes the Nice kitchen, Tuls offers a wide range of elements in stainless steel; appliances for preparation and storage that make the kitchen an harmonious and comfortable work space for cooks and pastry chefs.

Modularity

Tuls modular elements are suitable for the Nice kitchen products in terms of dimensions and design.

6 heights for tables and sinks

All tables and sinks are available in 6 different height with the same price.
With order placement please modify the finalise the part of model code with the desired height.

Order example of table with door and drawer unit:

TACDBA712-**850**
model at price list with top height 850 mm
and body height 710 mm

TACDBA712-**790**
model with top height variation 790 mm
and body height 650 mm

- 800
- 790

Tables with 3 depths

All open tables and with doors are available with 800, 700 and 600 mm depth.

- 800
- 700
- 600

Alignment with refrigerated tables

The dimensions of the tables and the design of the worktop allow perfect alignment with the Coldline refrigerated modules. Higher heights correspond to greater storage capacities.

Custom compositions with a single top

Drawers, cupboards and refrigerated tables without tops can be configured with a solid single top to create work areas without joints. Maximum length 3800 mm.

Work tables

- 14** Work tables
- 26** Work tables with bowl
- 34** Open cabinet tables
- 42** Tables with doors
- 54** Heated tables
- 64** Drawer unit tables
- 72** Tables with doors and drawer unit
- 82** Vegetables and fish preparation tables

Work tables

Worktop design

The worktop allows you to work comfortably and safely. Design and top thickness same as Coldline refrigerated counters

Feet

30 mm adjustable feet in stainless steel and nylon

Bottom shelf

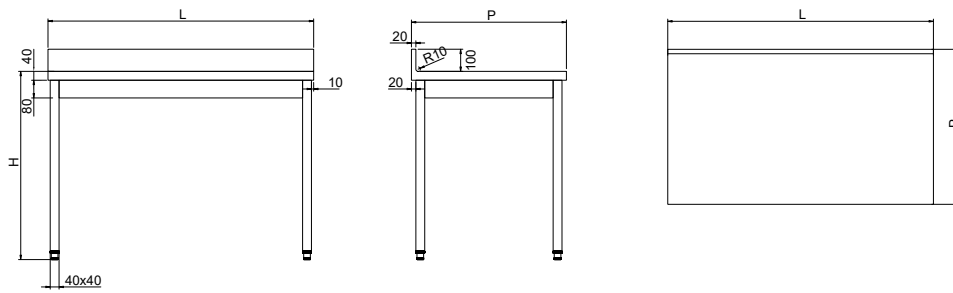

Made of AISI 304 stainless steel, 50 mm thick with internal reinforcement. It is located 100 mm from the floor and it ensures a perfect alignment with other tables with doors and refrigerated elements

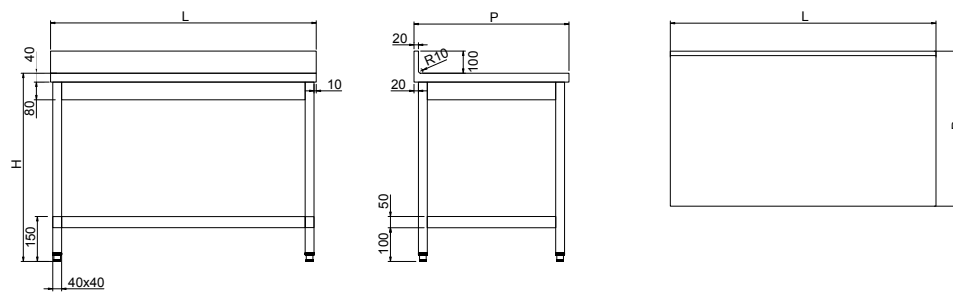

Splashback

100 mm height and thickness of 20 mm with radius of 10 mm allowing fast thorough cleaning

Description	Code Price Euro
 Set of 2+2 wheels for work table with shelf To be requested at order	TP01451600000 173,00

Work tables with bowl and shelf

Worktop design

The worktop allows you to work comfortably and safely. Design and top thickness same as Coldline refrigerated counters

Bowl

Made of AISI 304 stainless steel with rounded edges

Equipment

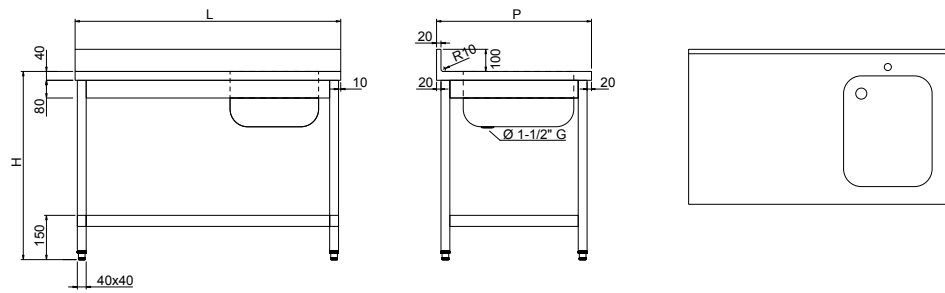

Equipped with drain pipe and overflow. Tap hole Ø 32 mm

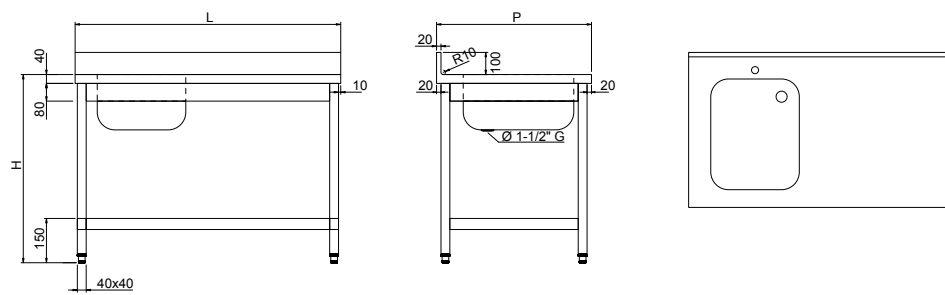

Splashback

100 mm height and thickness of 20 mm with radius of 10 mm allowing fast, thorough cleaning

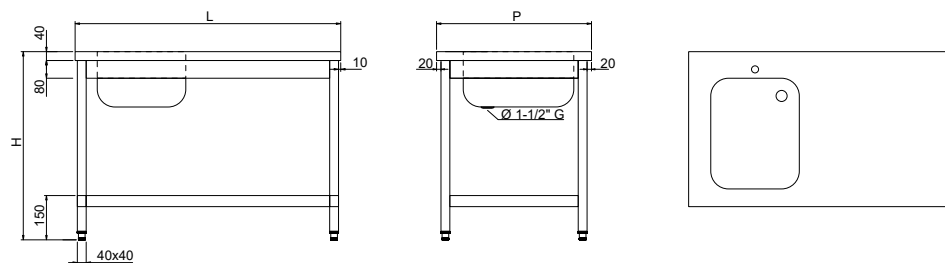

Work tables with right bowl and bottom shelf

Work tables with left bowl and bottom shelf

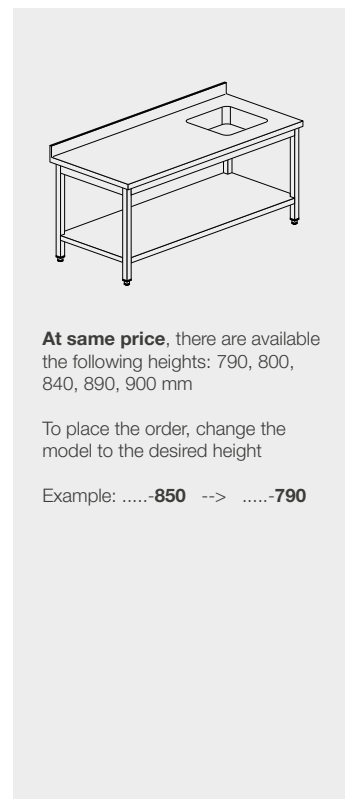

Double side work table with bowl and bottom shelf

L length D depth H height

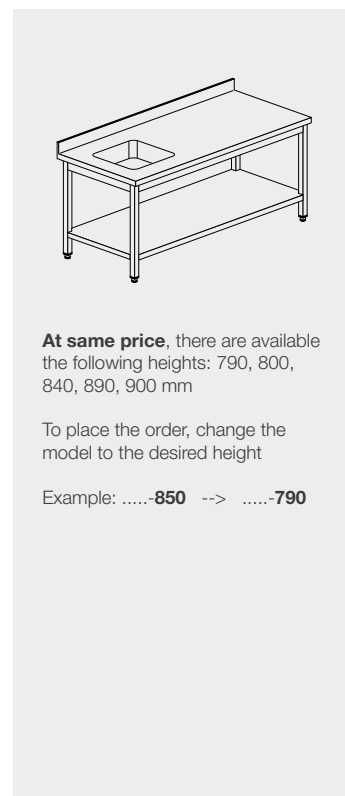

Work tables with bowl and bottom shelf

Right bowl

Heated tables

Worktop design

The worktop allows you to work comfortably and safely. Design and top thickness same as Coldline refrigerated counters

Heated cabinet

Heated cabinet with temperature range of 30°-90°C. From lengths of 1600 mm there are two heating boxes

Sliding doors

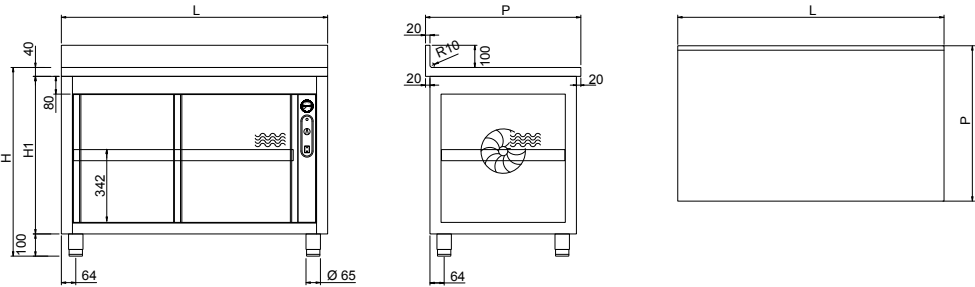

Sliding doors on guides

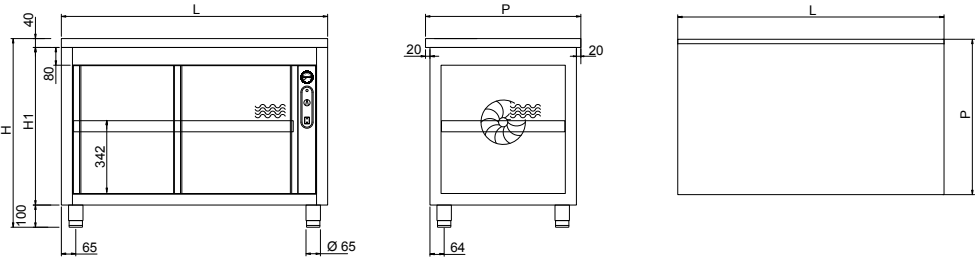

Splashback

100 mm height and thickness of 20 mm with radius of 10 mm allowing fast, thorough cleaning

Heated tables

Double side heated tables

Drawer unit tables

Worktop design

The worktop allows you to work comfortably and safely. Design and top thickness same as Coldline refrigerated counters

Modularity

Drawer unit with 1, 2, 3, 4 or 6 drawers GN 1/1

Drawers

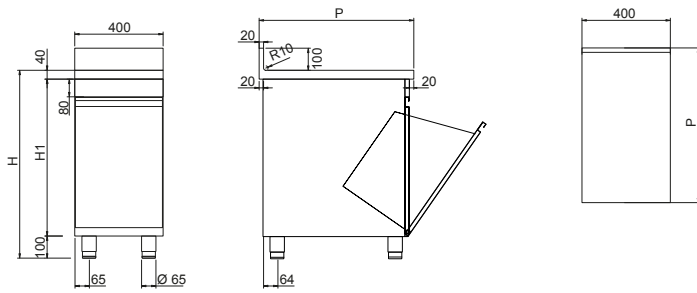

Made of AISI 304 stainless steel, handle with rounded edges

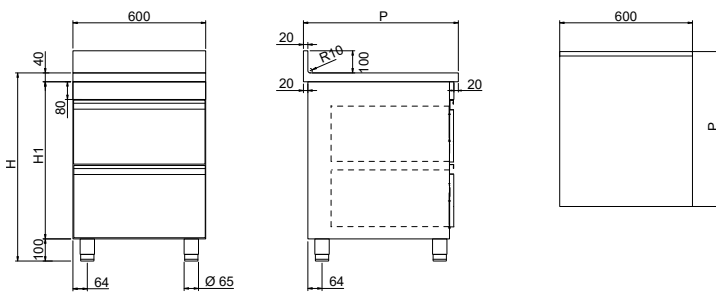

Splashback

100 mm height and thickness of 20 mm with radius of 10 mm allowing fast, thorough cleaning

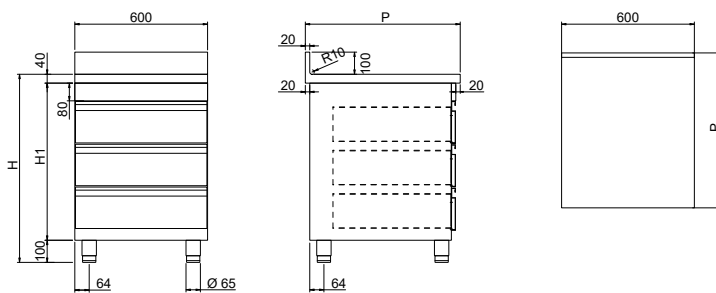

Drop-down opening tables

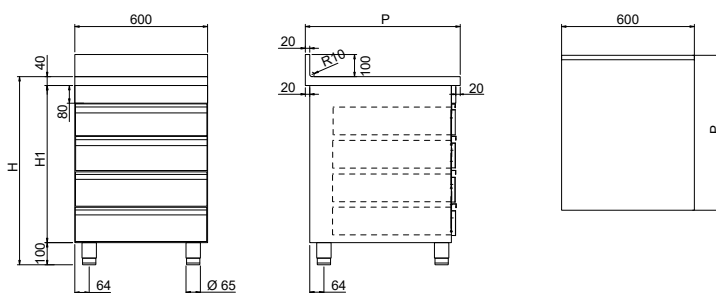

Drawer unit tables with 2 drawers

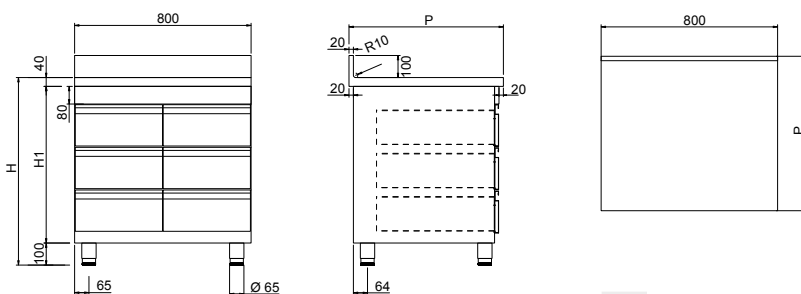

Drawer unit tables with 3 drawers

Drawer unit tables with 4 drawers

Drawer unit tables with 6 drawers

 Set of 2+2 wheels for work table with shelf To be requested at order	TP01451700000 173,00	 Lock for sliding doors To be requested at order	TP01451300000 63,00
 Lock for hinged doors and drawer unit To be requested at order	TP01451400000 63,00		

Vegetable and fish preparation tables

Worktop design

The worktop allows you to work comfortably and safely. Design and top thickness same as Coldline refrigerated counters

Bowl

Pressed bowl with rounded and containment edges

Cutting board

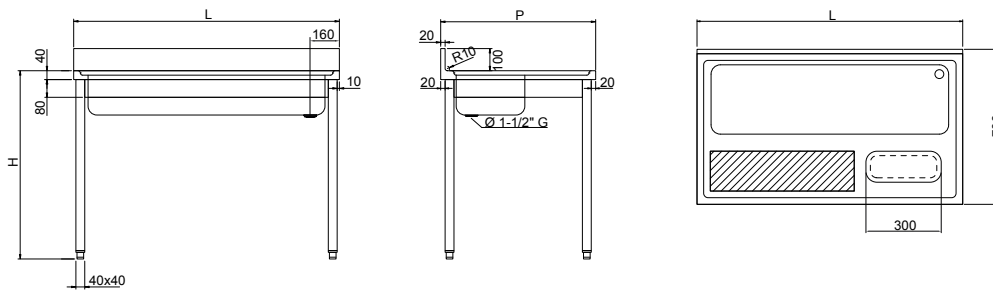

1 or 2 cutting boards on the top can be removed for washing

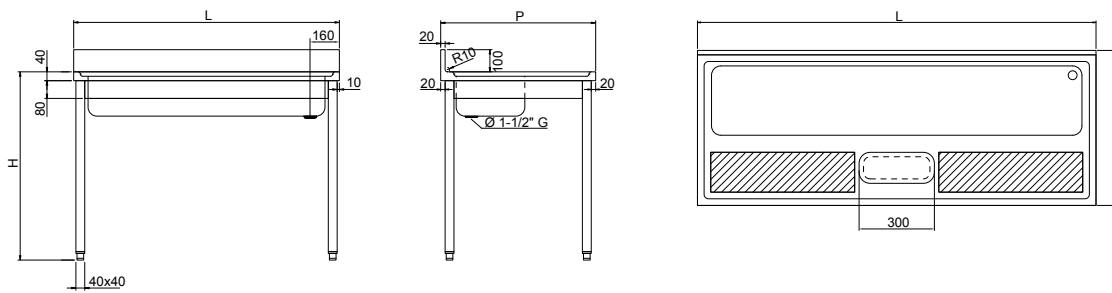

Waste hole

Hole for waste disposal

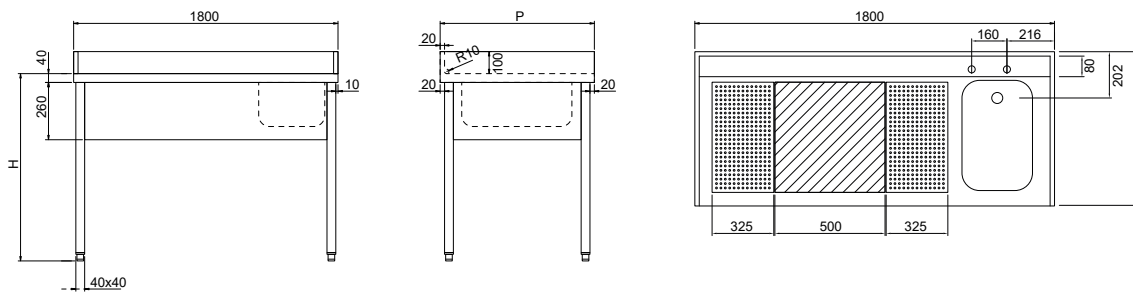

Vegetable preparation tables with 1 cutting board

Vegetable preparation tables with 2 cutting boards

Fish preparation tables

L length D depth H height

Sinks

Worktop design

The worktop allows you to work comfortably and safely. Design and top thickness same as Coldline refrigerated counters

Bowl

Pressed bowl with soundproofing material located on outside the bottom. Equipped with drain pipe and overflow

Drainer

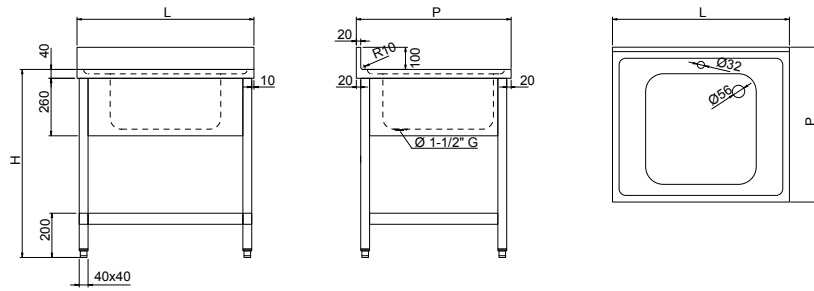

Drainer with pressed re-enforcement ribs inclined towards the bowl to facilitate the water flow

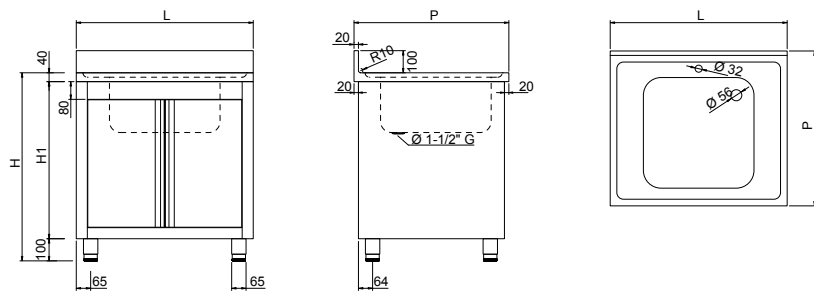

Back open

The back is completely open to allow easy drain connection. The bottom with splashback avoid accidental fall of objects behind the table

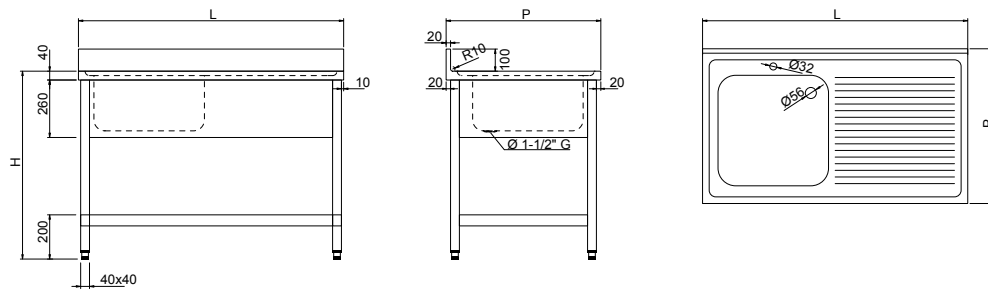

Sinks 1 bowl with bottom shelf

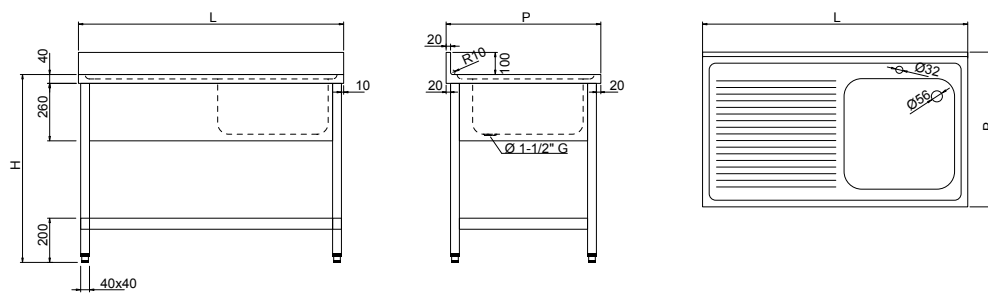

Sinks 1 bowl with hinged doors

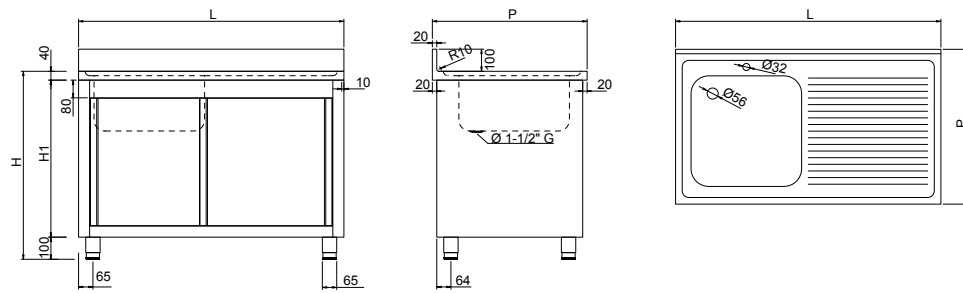

Sinks 1 bowl with bottom shelf, right drainer

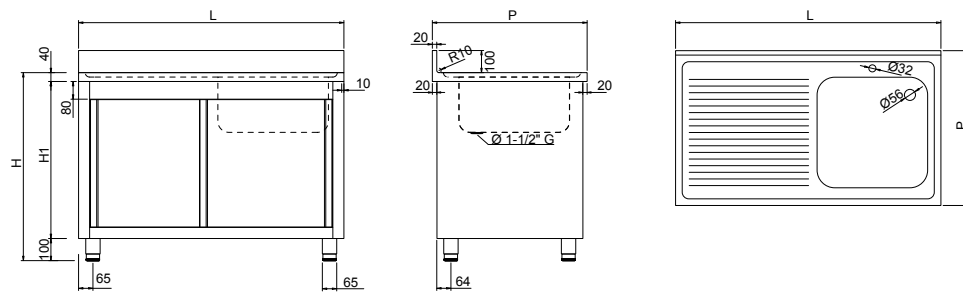

Sinks 1 bowl with bottom shelf, left drainer

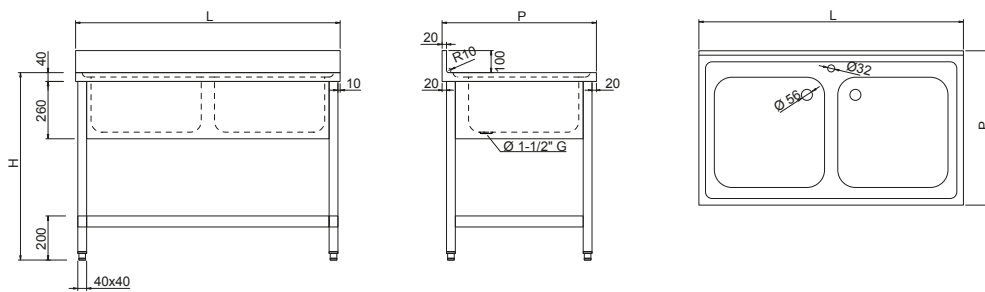

Sinks 1 bowl with sliding doors, right drainer

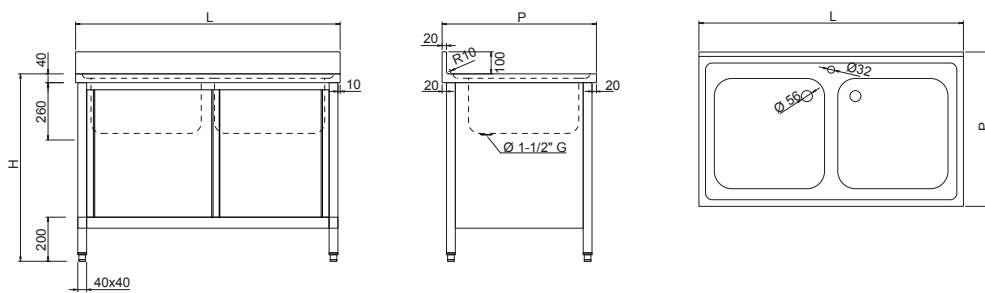

Sinks 1 bowl with sliding doors, left drainer

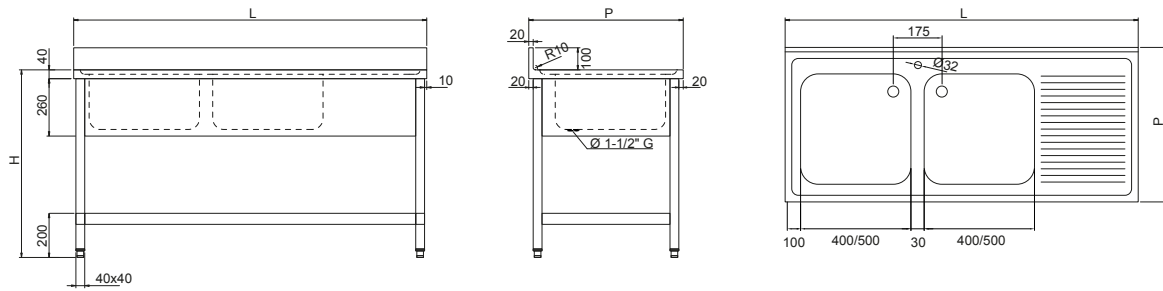

Sinks 2 bowls with bottom shelf

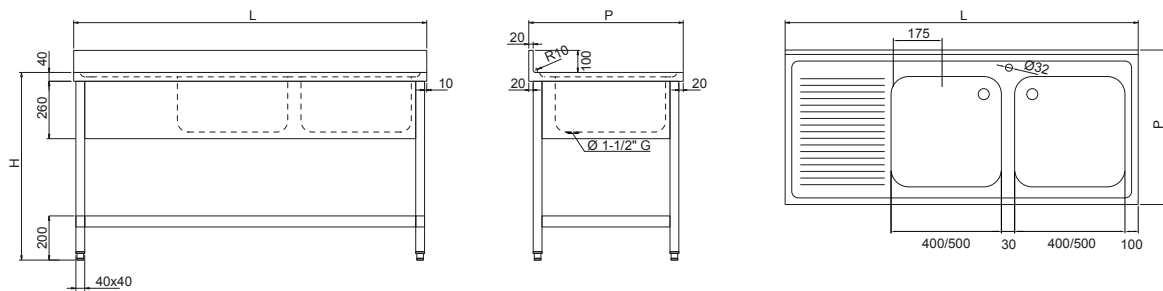

Sinks 2 bowls with sliding doors

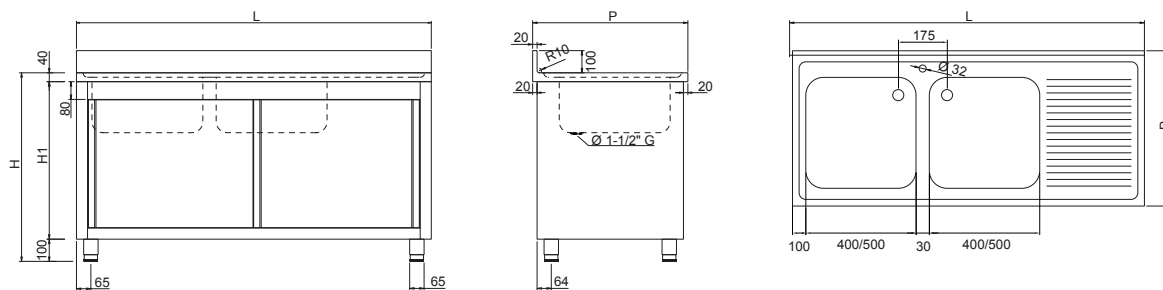

Sinks 2 bowls with bottom shelf, right drainer

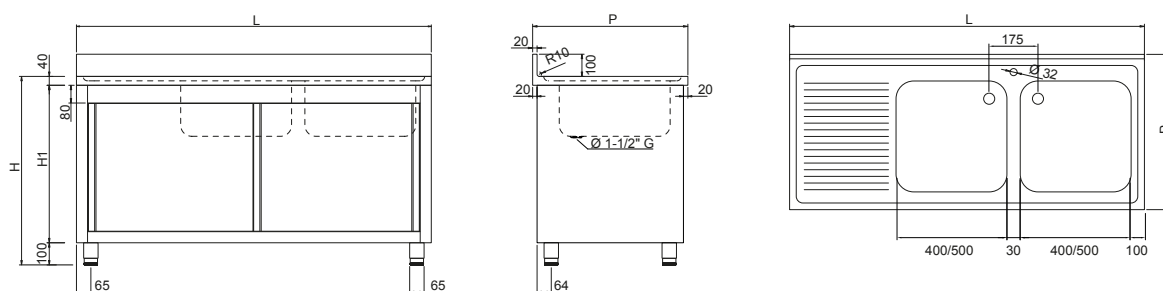

Sinks 2 bowls with bottom shelf, left drainer

Sinks 2 bowls with sliding doors, right drainer

Sinks 2 bowls with sliding doors, left drainer

Shelves

Shelves

Shelves

Structure

Made of AISI 304 stainless steel.
Adjustable shelves positioned
on self-locking supports

Legs

Profiled slotted legs with feet
in nylon

Shelves

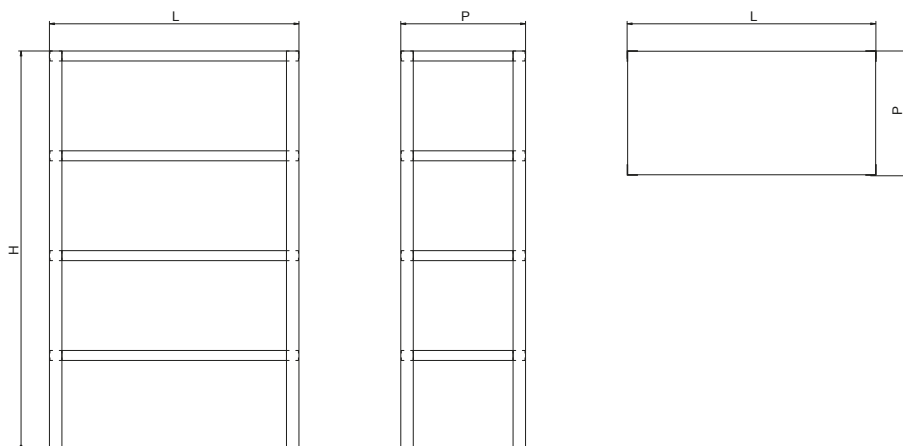

Available with smooth or
perforated shelves. Equipped
with 4 shelves for models H 1600
- 1800 mm and 5 shelves for
models H 2000 mm

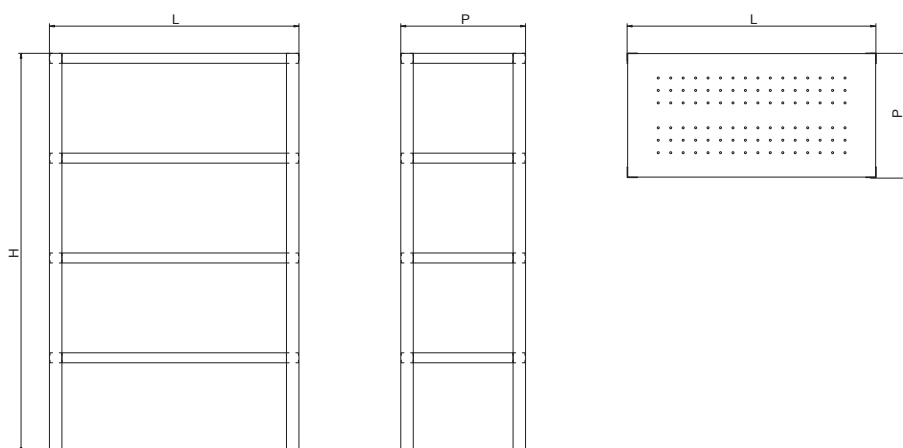

3 depths

Each model is available with
depths of 600, 500 and 400 mm

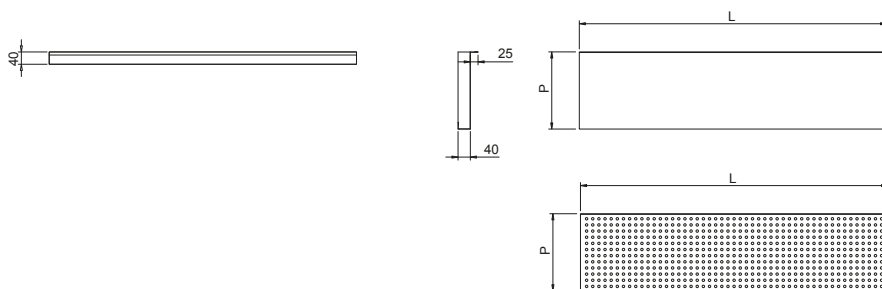

Shelf smooth shelves

Shelf perforated shelves

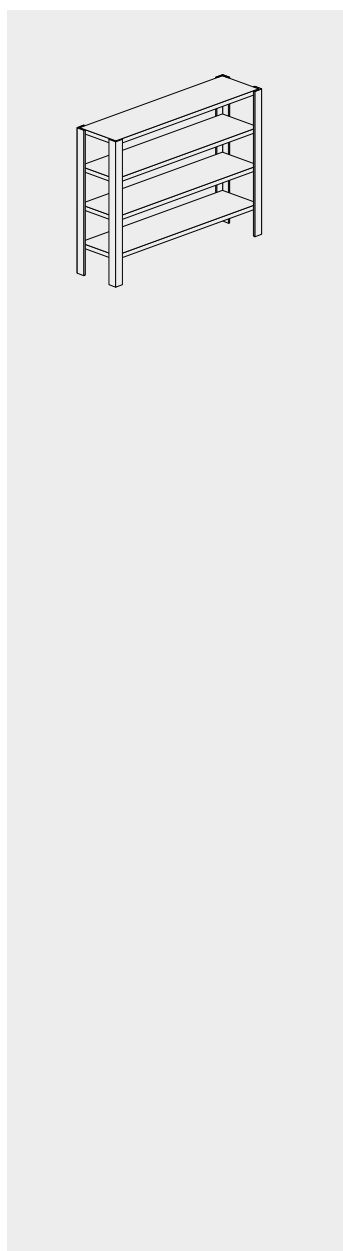

Shelf smooth/perforated

Terms and conditions

Prices All prices indicated in this price list are in Euros and this price list supersedes all previous versions. Prices does not include transport costs, installation, special packaging, assembly, V.A.T and any other applicable sales tax or duty which will be added where applicable. As part of our ongoing policy, we reserve the right to change specifications without prior notice and as well all prices are subject to change without notice.

Orders We only accept written orders received by email, fax or mail. The order must contain the model and the code of the products ordered. The order confirmation issued by Tuls-Modular is considered correct and accepted, if not disputed in writing within 3 days from the date of mailing.

Delivery conditions Ex Works – Incoterms 2020.

Packaging Products in this price list include standard pallet and cardboard packaging. Any special packaging will be charged separately (except for neutral element or some type of customization products).

Delivery of the products Delivery term runs from the date shown in the order confirmation, is to be considered indicative and not binding. Tuls-Modular accepts no liability for any loss sustained by the Buyer through late delivery, and further where a time for delivery has been agreed but delivery is delayed for any reason beyond the control of Tuls-Modular or the Buyer's failure to give adequate delivery instructions, a reasonable extension of time shall be allowed to Tuls-Modular. Any delays cannot give rise to compensation for damages or termination of the contract.

Transport Products travel at Buyer's risk, even in the case of transport organized by Tuls-Modular or by third parties entrusted by Tuls-Modular with free carriage. The integrity of the goods must be checked by the recipient at the time of delivery. Any apparent defects and/or shortages of Products and/or packages that are discovered by the Buyer with normal diligence at the time of delivery must be reported to Tuls-Modular in writing, under penalty of forfeiture of any guarantee, by noting the same on the delivery note and simultaneously sending both the Carrier and Tuls-Modular, by email, a copy of the delivery note containing the reserve, as well as the photos of the original packaging and/or of the possibly flawed and/or damaged Product. Once Products have been delivered, they are not in any circumstances returnable without Tuls-Modular agreement in writing.

Payment The terms and conditions of payment relating to each order of Products are those indicated by Tuls-Modular in the relevant order confirmation. Regardless of any contrary indication, payments will be intended as made at Tuls-Modular headquarters. Bank fees will be charged on the invoice. In the event of total or partial non-payment or late payment of the Products by the Buyer, Tuls-Modular will be entitled, without prior notice, to suspend the supply or delivery of all orders for Products in progress (even if different from those in relation to which the Buyer's non-fulfillment has occurred) and to withhold, as a penalty, any sums already collected (without prejudice, in any case, to the right to compensation for any greater damage), and to declare the Buyer himself excluded from the benefit of the term of payment in relation to all the supplies in progress, therefore requesting immediate and full payment. In addition, the Buyer will be charged interest on arrears (pursuant to Legislative Decree No. 231 of 9.10.2002 and subsequent amendments) from the date of the default to the balance, in addition to the costs incurred for the recovery of the credit. It is understood that the Products delivered to the Buyer remain the property of Tuls-Modular until full payment of the relative price by the Buyer.

Returns and replacements Returns, and replacements must be authorized in written by Tuls-Modular. The cost for shipping the components is the responsibility of the Buyer.

Product modification Tuls-Modular reserves the rights at any time and without any need for prior notice or publicity to make to its own Products (and to the relative catalogues, technical data sheets and manuals) all the technical and/or aesthetic modifications or improvements it deems necessary and or appropriate, without the Buyer being able to make a claim for it and, in any case, without any obligation for Tuls-Modular to make to the Products ordered by the Buyer any changes or improvements that have been introduced the issue of the relative order by the Buyer.

Law The above terms and conditions and all contracts to which they apply shall be subject to and construed in accordance with Italian Law and the parties in cases of disputes hereby submit to the exclusive jurisdiction of the Treviso - Conegliano (Italy).

Warranty terms

Warranty is provided for 24 months from Tuls-Modular's original date of the invoice. Tuls-Modular guarantees new appliances, in all their parts except for the parts that may have been damaged as a result of transport installation and/or maintenance that does not comply with the specifications and instructions contained in the manuals; misuse or abuse; interventions or modifications carried out by technicians not authorized by Tuls-Modular; insufficient capacity or instability of electrical, water or gas connection on remote systems; insufficient or non-use of filtration and regulation of the water hardness (if required).

The warranty includes the supply of spare parts against a recognized defect of product components. The warranty does not include the cost of substitution of defective parts; in addition it does not include consumables and accessories such as: gaskets, rubber components, glass components.

Any defects must be notified to Tuls-Modular in writing within 8 days. In the event of prompt notification of defects by the Buyer and acknowledgement of the same by Tuls-Modular, the latter will proceed, in normal technical times and at its own unquestionable choice:

- (i) to supply free under warranty Ex Works (EXW Incoterms 2020) spare parts against defects in the components of the Product; or
- (ii) to supply free under warranty Ex Works (EXW Incoterms 2020) a replacement of the defective Products;

The performance of the warranty does not involve an extension or a new start of the same.
